- Remember that many players participate for pleasure and winning is only part of the fun;
- Never ridicule or yell at a player (particularly young players) for making a mistake or not coming first;
- Ensure players and parents experience as part of the team is positive a one;
- Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of all players;
- Display control and respect to all those involved in cricket. This includes opponents, coaches, umpires, administrators, parents and spectators. Encourage your players to do the same;
- Raise any issues through the appropriate club channels;
- Show concern and caution toward sick and injured players. Follow the advice of a physician when determining whether an injured player is ready to recommence training or competition;
- Respect the rights, dignity and worth of every person regardless of their gender, ability, cultural background or religion.
